

# 2014 Battle of the X's – The Trainers Challenge

Plus *All Thoroughbred Horse Show* AND FRIENDS

## Sponsor Information

The mission of Remember Me Rescue is to improve the quality of life and to assist retired and injured racehorses after their careers at the track are over. Remember Me Rescue also works with authorities in numerous states when horse seizures, relating to abuse or neglect of a horse, takes place. Once a Thoroughbred arrives at Remember Me Rescue it is checked out and if necessary treated by our veterinarian. Once the horse is determined to be healthy they begin the retraining journey which includes desensitization and being ridden regularly. Thoroughbreds make wonderful trail companions, lesson horses, mounted patrol horses, jumping or dressage horses. These special horses can be retrained for nearly anything. Remember Me Rescue is a 501(C)(3) organization.

Please help us continue our mission to retrain the horses donated to our program and give them the opportunity to have wonderful lives after the track.

**BATTLE OF THE X'S – THE TRAINERS CHALLENGE AND THOROUGHBRED HORSE SHOW** is an opportunity to show how Race Horses can be trained in different disciplines after their race track careers are over. To be a part of this great event become a Sponsor.
